Who are we?

Roar is Tofino's new favourite hang out that doesn't feel new at all. Hasn't this always been your favourite spot? As the first live fire restaurant on the coast, Roar makes every meal feel as relaxing and fun as a roaring beach fire. Roar is for locals first and offers exceptional food and drink for everyone.

Roar is the first restaurant owned and operated by Accent Inns Inc! We're a family-owned, BC-based hospitality company with eight hotels across two brands—Accent Inns and Hotel Zed.

We make every decision based on our core values: Be Real, Have Fun, Everything Better and Have Each Other's Backs. We empower our team to live and work by these values always. We take care of our Fam-Jam with a healthy work environment, full-coverage benefits and amazing perks like bursaries, bonuses and epic staff parties. We take care of our people, and they take care of each other. We don't just say we're awesome, we walk the talk: 97% of our employees told us they're happy to work here in our 2020 Summer Employee Survey!
