Who are we?

Roar is Tofino's new favourite hang out that doesn't feel new at all. As soon as you walk through the swanky, 70's-shag-carpet vibes of Hotel Zed and into the comfy, cozy restaurant or lush outdoor patio, you'll feel the best kind of déjà vu. With our innovative live fire kitchen, innovative cocktail menu and rebellious leadership, Roar makes every meal feel as relaxing and fun as a roaring beach fire: good food and drink with good ingredients and awesome people.

Is it awesome here?

Roar is the first restaurant owned and operated by Accent Inns Inc! We're a family-owned, BC-based hospitality company with eight hotels across two brands—Accent Inns and Hotel Zed.

We make every decision based on our core values: Be Real, Have Fun, Everything Better and Have Each Other's Backs. We empower our team to live and work by these values always. We take care of our Fam-Jam with a healthy work environment, full-coverage benefits and amazing perks like bursaries, bonuses and epic staff parties. We take care of our people, and they take care of each other. We don't just say we're awesome, we walk the talk: 97% of our employees told us they're happy to work here in our 2020 Summer Employee Survey! With Roar, we're introducing our awesome culture to the restaurant world. Wanna join us?
