

# ROAR

LIVE FIRE X SEAFOOD X BAR

## Restaurant Manager

Roar is Tofino's new favourite hang out that doesn't feel new at all. As soon as you walk through the swanky, 70's-shag-carpet vibes of Hotel Zed and into our awesome restaurant filled with thrifted treasures from across Canada, you'll feel the best kind of déjà vu. With our live fire show kitchen, inventive cocktail menu and rebellious leadership, Roar makes every meal feel as relaxing and fun as a roaring beach fire: good food and drink with excellent ingredients and awesome people.

### The Roaring Restaurant Supervisor:

You're a natural leader who oversees the Front of House Team alongside our awesome General Manager and Assistant Manager. You're awesome with people, which makes you a great fit to supervise all employees and help us make sure everything we do is up to snuff, from food quality to service standards. Taste testing and having fun are definitely part of your job description.

You also rock at administration like managing inventory and payroll. A total go-getter, you are a key player in helping us meet our internal goals and you're never afraid to let us know when you have a great idea, no matter how weird. You're at the heart of our team, which means that you're a leader in helping us build a healthy and happy family with our team, and building solid relationships with our clients, suppliers and larger community.
