

ROAR

LIVE FIRE X SEAFOOD X BAR

Sous Chef

Roar is Tofino's new favorite live fire restaurant and bar that makes every meal feel as relaxing and fun as a roaring beach fire.

Located in the swanky Hotel Zed, Roar is the first restaurant by Accent Inns Inc! We are a family-owned, BC-based hospitality company that LEADS WITH LOVE and our number one metric as a company is the happiness of our staff, who we call our Fam-Jam 'cause we are like family.

The Sweetest Sous Chef:

You're the Chef's right hand (or left hand, depending on the Chef.) When the Chef is gone, you run the show and you'll have total responsibility to oversee the culinary operations of Roar. You're a talented chef with a passion for food and infectious positivity that radiates through the kitchen and the entire restaurant.

You've got technical chops but you aren't confined to traditional training. You're creative and excited to collaborate to develop our amazing menus by creating and delivering ingredient-driven dishes. You get goosebumps just thinking about an amazing new dish that works.

You also have the skills required to sort through back end financials and keep things organized. Roar is a live fire show kitchen, and we'll need you leading us through busy services and supporting our amazing team.
